

MOISTURIZING

**INTERNAL REMAIN MOISTURE FOR 72 HOURS,
SKIN TEXTURE BECOME MOIST, HEALTHY AND SHINY,
CAN BRING BACK YOUR YOUTH OF 10 YEARS!**

Most people after the age of 25 years, skin condition will deteriorating. Skin cells are damaged in both term of internal and external. For example: UV attack, with lots of moisture loss, decrease the sebaceous glands activities and oil secretion on the face surface. Therefore, the skin will easily become tense and will cause the appearance of wrinkles under the eyes and nose edges. When cells in an unstable condition, skin cuticles could not enough adjust moisturizing ingredients, in addition to the imbalance of the skin membrane, skin will become dry and rough. Looking for soft, no wrinkles and smoother skin? The most basic way is to remain the moisture and oil control on the skin. After thorough research and hard work, 'Skin Guard' expert researchers had successfully produce a unique moisturizing product which is able to refill the moisture, oil and secure to be use – **Natural Moisture Replenish Serum ++**.
