Have a bright and shining eyes will seem more attractive. Skin around the eyes is the thinnest and most vulnerable, due to the cultural life of Asian women such as environment pollution, light and UV radiation, too much using the eyes, season changing, as well as problems below:

- (1) Increase the eyelid pigment inheritance or postnatal,
- (2) Aging and relaxation of the eyelid,
- (3) The shadow caused by the eye bags appearance,
- (4) Shadow caused by concave under inner eye frames that cause eye watercourses,
- (5) Eyelid blood flow been blocked and cause the skin become darken,
- (6) the penetration of small dye by the cosmetic

and other factors that cause swelling, eye bags, dark eye circles, spots, wrinkles and other problems. After thorough research and hard work, 'Skin Guard' expert researchers had successfully produce **Natural Eye & Neck Enhancement Cream** that can handle these problems completely.

This product contains a variety of valuable active substances, such as Echinacea Angustifolia Stem Cells, Tripeptide 1, 5, 10, 21 and so on, scientifically proven that can accelerate collagen growth, maintain collagen fibers and protein fibers elastic and vitality, permanent skin elasticity, beside smooth the wrinkles, it contains Peucedanum Ostruthium Leaf extract (Eco-Cert), Buddleja Davidii Leaf extract (Eco-Cert), Artemisia Umbelliformis extract (Eco-Cert), extracts from various plants and algae, moisturizers precious and nutaral nutrition such as Hyaluronic Acid (Eco-Cert), Propanediol (Eco-Cert), Vitamin A, E, can effectively diminish eye bags, reduce dark eye circles, moisture the eye skin all the time and reduce dryness. Active substances that extracted from plants (Phytosome) and unique NMF formula (natural moisturizing factor), add on by the "ultra – micro membrane vesicles" delivery system (Micro Capsule), deeply get into dermis layer so that restore the eye skin radiance immediately.

Direction: Clean the face, use Natural Rose Water and Natural Essence Hydrating Moisture Replenish Serum + +, with the tip of middle finger dab evenly around the eyes, massage gently outwards. Apply a small amount on neck and massage gently. Use day and night, for more spectacular effects at night and break time.

Tip: Remember! Do not apply too much near the roots of eyelashes, because the part absorption is less, it will combine with fat and oil and cause the particle growth.
