Skin Repairing Product at Night

“The Most High New Collagen Growth Rates”

According to beauty expert, “Sleeping Beauty” is absolutely correct. During the day time, skin metabolism is in bad condition, the bigger enemies that bring erosion is the light, dirty air, pollutants and these phenomenon are not same at the night. According to dermatologists and pathologists who have conducted long – term research, at 11 pm to 5 am is the most productive time for skin cells to growth and repair, the rate of cells division is about 8 times faster then usual. Thus, the absorption rate of nutrients for skin care is very high. At night, is the most appropriate time to nourish the skin and accelerate cell metabolism, repair the damaged skin, addition of nutrients, so that the skin more elastic and smooth. After thorough research and hard work, ‘Skin Guard’ expert researchers had successfully produce a product that can add skin nutriens at night – **Natural Night Repair Cream**.

This product contains a variety of precious active substances, such as Echinacea Angustifolia Stem Cells, Acetyl Hexapeptide – 8, Dipeptide, Tripeptide1, 2, 10, Tetrapeptide – 21, Pseudoalteromonas Ferment extract, Echinacea Purpurea extract where it function comparable with Resveratrol, ALGISIUM C®, Ginkgo Biloba extract, Organic Aloe Vera extract, Hydrolyzed Wheat Protein, Hydrolyzed Soy Protein, Wheat Germ Oil, Shea Butter, Vitamin C, A, B5, E and various other precious moisturizing agents. Its functions have been scientifically proven can collagen growth enhancement rate to improve the elasticity and hydration of the skin. The active substances extracted from plants (Phytosome) and unique natural moisturizing factor (NMF) formula, add on with unique “ultra – micro membrane vesicles” (Micro Capsules) transmission system so that the active substances can penetrate internally to dermis layer. Long – term usage, 100% guaranteed that will restore beauty and youthfulness!

Direction: At night, on clean face, massage gently with fingertips.

Tip: The quality of this product is comparable with other branded products, but its price is much different, if you can take care from inside and outside, drink our company healthcare products Collagen Plus and Newco 9 Colostrum Powder, you skin bound to change and become more radiant.
